Make-A-Bear

We offer an incredible range of 16-inch soft and cuddly animals that children can bring to life at our Make-A-Bear parties! This experience is very magical, and children will have the opportunity to hand-stuff the animals, add a heart, write a birth certificate, and take their new best friend home with them.

The cost is £24 per animal, and, for an additional £5, children can decorate a teddy t-shirt with fabric pens. Please note that bears cannot be reserved in advance, so children should choose from the available options on the day of the party. Also, our Make-A-Bear parties are an exception to the 10+ attendee rule, as we can offer parties for groups of 8 or more.

"Staff were really attentive and very helpful. Thank you for making Nyah's [Make-A-Bear] party special." Gemma, Facebook ★★★★★

Slime Time

Standard Slime Party:

Over the course of 1 hour, each child makes their own bowl of coloured slime with multi-coloured foam balls and glitter, and we play the 'Flubber Bubbles' game!

We provide airtight containers for children to take their slime home with them, and the cost is £19 per child.

Deluxe Slime Party:

We have two deluxe packages that include an extra half hour. The first is a Mermaid Sparkly Slime Party where children can make two different colours of slime, add foam balls, glitter, aqua balls, a mermaid tail and play the 'Flubber Bubbles' game. The second is a Dinosaur Slime Party where children can make two colours of slime, add foam balls, glitter, aqua balls, a dinosaur figure and play the 'Flubber Bubbles' game. These parties are £24 per child, and are suitable for children aged 5+.

A popular option for those wanting takeaway "on the day" gifts! Order children's sizes in advance and let their creativity thrive with fabric pens, fabric sprays and stencils galore! £19 per child.

Party Food Options

Our party activities last for an hour. Deluxe slime parties are the exception with an extra 30 minutes for the activity.

Many parents choose to add an extra 30 minutes to have food and drink as part of the party. We can provide catering for groups of 10 or more, which includes sandwiches, crisps, carrot and cucumber sticks, cake, biscuits and a drink. We also cater to specific dietary requirements and provide all the necessary plates and cutlery. Catering is available for an additional £8 per child.

Alternatively, you are welcome to bring your own cake, candles, or even order pizzas for £15! There is a flat fee of £30 for the extra half hour that includes the cleaning afterwards (separate to Pots2Go's catering costs).

DIY Parties

Do It Yourself party kits are available for you to take away and paint at a location of your choice e.g. at home! There is no charge for the hire of these kits. Each kit contains a set of paints, brushes, palettes, paint pens, felt-tip pens and full instructions. Just choose the pottery you would like to take away to paint and we'll package it up for you so you can transport it safely. Once you've painted your pottery, drop it back to us for firing (2-3 days later) and we'll let you know when it's ready to collect!
